# Schedule Page

Select a Month and Year then click on  
Generate Schedule to generate a KD schedule  
The schedule is generated using the records in the Records page

The screenshot shows the 'Schedule Generator' application window. At the top, there are three tabs: 'Schedule' (highlighted in blue), 'Records', and 'Shifts Done'. Below the tabs, the title 'KD Schedule Generator' and '自動 KD 割り当て システム' are displayed. A red rectangular box highlights two dropdown menus: 'Month / 月' and 'Year / 年'. Below these, there is a blue button labeled 'Generate Schedule' with '開始' (Start) underneath it, and a yellow button labeled 'Change user' with 'ユーザー変更' (Change User) underneath it. At the bottom, it says 'Developed By: Chun and Jojo'.

This screenshot shows the same 'Schedule Generator' application window, but now the 'Month' dropdown is set to 'Feb / 2月' and the 'Year' dropdown is set to '2024'. A green rectangular box highlights a message that appears after clicking the 'Generate Schedule' button: 'Generating Schedule, Please wait...' followed by 'スケジュール作成中... (・ω・)' (Schedule creation in progress...). The 'Generate Schedule' button and the 'Change user' button remain visible below the message. The footer 'Developed By: Chun and Jojo' is also present.
